

Uniforms for European Technical Officials

From the beginning of 2009, umpires at Badminton Europe events started to wear black uniforms. Alongside this, Badminton Europe announced that all Member Associations had the opportunity of buying uniforms for its technical officials through Badminton Europe – not only black uniforms for umpires, but also red uniforms for referees.

Many Member Associations decided to take advantage of this offer, an offer which still stands.

There are three types of clothing available; polo shirt, long sleeve sweatshirt and soft shell jacket. All items are produced to a very high quality.
